## We **Specialize** in working with Small Business Owners

### Design Needs your one stop shop.

#### Web Hosting at affordable prices

Our clients rely on our highly personalized attention, the peace of mind of dealing with a single company and our responsiveness. There is always someone you can talk to and you do not need to be “Tech-Savvy” to have your hosting problems solved.

As a customer of Design Needs you have the advantage of accessing a full suite of services not offered by other Design firms.

### **Be yourself. Be envied. Be recognized.**

Design Needs specializes in creating, developing and managing effective brands and applying them to a variety of mediums, including print advertising, corporate marketing and web design. Our focus is on a total communication process, not a quick fix. We provide our clients with the right concepts, message and designs to build and strengthen their image and ultimately , their brand.
